

Aishwei Photovoltaic Inverter Wholesale

Who is aiswei solar?

A leader in China's photovoltaic industry, AISWEI brings solar energy to global users, offering a full range of 1kW to 80kW photovoltaic grid-connected inverter products, energy storage and energy management system. The continuous improvement of after-sales service systems ensures quality and value to customers around the world.

Who makes aiswei inverters?

AISWEI specializes in developing and manufacturing photovoltaic inverters, building on the success of the Zerversolar range of inverters from the SMA Group. Formerly known as SMA China and affiliated with the SMA Group, AISWEI was launched as an independent company in April 2019.

Who is aiswei?

1st Chinese company to obtain SAA certificate SOLAR®; FOR EVERYBODY AISWEI®; a leading R&D and manufacturing company focusing on clean energy and delivers a broad portfolio of photovoltaic inverter products, hybrid inverter products, EV charger and smart energy management system.

Does aiswei/solplanet have a global solar PV inverter market share?

September 19, Shanghai, China - AISWEI/Solplanet has achieved a significant milestone by securing 9th position in global solar photovoltaic (PV) inverter shipments in 2022, as reported in the Global Solar PV Inverter and MLPE Market Share 2023 report by Wood Mackenzie, a renowned global insight business for renewables, energy and natural resources.

Why should you choose aiswei?

We want to bring the power of the sun to everybody through our easy to use, affordable and reliable photovoltaic inverters. AISWEI®; a leading R&D and manufacturing company focusing on clean energy and delivers a broad portfolio of photovoltaic inverter products, hybrid inverter products, EV charger and smart energy management system.

How many people attended aiswei solar show Last Week?

Early estimates vary but in excess of at least 120,000 visitors are thought to have attended the show last week. Image: Solar Media Inverter and hybrid solutions manufacturer AISWEI's senior global marketing director Ada Zhu speaks with PV Tech director David Evans about the company's products and where the global PV market is going.

The FusionSolar app and the FusionSolar smart control system are available to operators for monitoring and controlling the photovoltaic system. Installing and commissioning Huawei solar inverters and other technologies are facilitated ...
