

Can the low bed box be used for storage

Are under-bed storage solutions a good idea?

Some under-bed storage solutions have features that make it easier to access and use. Handles and wheels can be particularly helpful when pulling boxes and bins out from under the bed, and a clear lid allows you to see what's inside each box without having to open them. Luckily, most under-bed storage solutions are fairly low-maintenance.

Should you put a storage box under your bed?

And while you're likely already using the space under your bed to stash anything you deem not important enough for your closet or dresser, it can get cluttered quickly down there -- and under-bed storage boxes, bins, and baskets can help.

What is a good underbed storage container?

A wonderful pick for a kids' bedroom or a space with a twin bed is the Brightroom Underbed Fabric Bin. It has handles on the sides for easy access--a common feature on fabric under-bed storage containers--but the lid is different from other options.

Are under-bed storage solutions low-maintenance?

Luckily, most under-bed storage solutions are fairly low-maintenance. But you should clean your under-bed storage according to the manufacturer's instructions (it can get dusty under your bed!), and pay special attention if you select a material like wood or wicker that may require gentler care.

What should I put in my under-bed storage?

Seasonal clothing, extra bed linens, spare pillows, shoes you don't wear very often, accessories like hats or gloves, and luggage are all fair game for your under-bed storage. How can you hide under-bed storage?

Where can I find a good under bed storage solution?
