Where is Shenzhen changke industrial park?

SHENZHEN CHANGKE INDUSTRY CO., LTD. Address: Shenzhen High-Tech Industrial Park (Central) Keyuan Road No. 9 F2

What are the different types of photovoltaic systems?

There are two types of photovoltaic systems: grid-tied and off-grid. Off-grid systems use batteries to store electricity created. This type of system especially benefits rural areas and developing countries where initial capital costs present an obstacle for distributing electricity to isolated populations.
