

Where are Chint solar panels made?

CHINT Solar/Astronergy produces solar panels in China and has a solar cell factory in Thailand. As far as I can tell they don't have manufacturing facilities in other countries. They did buy a factory in Germany in 2014 after Conergy ran into financial problems, but sold it this year.

How much is CHINT Group selling solar assets to China State Power Investment Corporation?

Power transmission and distribution equipment provider Chint Group yesterday said it will sell installed distributed-generation solar assets with a combined generation capacity of 489 MW to the China State Power Investment Corporation. The value of the transaction is estimated at RMB183 million (US\$28.4 million).

Why should you choose Chint power for a photovoltaic inverter & energy storage converter?

Look at the development with data and prove the strength with performance. Chint power is committed to providing photovoltaic inverter and energy storage converter with excellent performance.

Through long-term R & D investment and years of technology accumulation, Chint power has been ranked in the "global top 20 photovoltaic"; for many years, providing more competitive photovoltaic solutions for the new energy and ...
