

This updated metal bracket replaces the original clear plastic bracket that was used by Delmar brand pleated, cellular, and honeycomb shades. Delmar is out of business, and the original plastic brackets are no longer manufactured. This ...

These Heavy Duty Z-Style Mounting Brackets are made to work with virtually any size of solar panel, large or small. Made of powder-coated aluminum for superior aesthetics and corrosion resistance, they are sure to last a very, very long ...

Delmar cellular and pleated shade mounting bracket, original, obsolete style. This bracket has been discontinued by the manufacturer and is not available for purchase; however, Fix My Blinds has fabricated a direct replacement. Click ...

The distinctive geometric shape of the N-style bracket enables rainwater and debris to flow off naturally, while reducing wind pressure on the solar panels. N-style brackets are designed to withstand wind and snow loads, with structural ...
