

Fully automatic equipment for photovoltaic panel regeneration

How to deliver a solar panel making machine or a production line?

To deliver a solar panel making machine or a solar panel production line that performs, we take special care to quality control in each stage: We are at your side in each stage of building your solar panel factory and production lines. Express your needs on solar panel producing, we will create your custom automation equipment.

Why should you choose horad solar panel production lines?

We offer complete solar panel production lines for global customers to manufacture photovoltaic modules based on their specific requirements. Since foundation, Horad has been committed to becoming a leading manufacturer of intelligent PV panel production lines by focusing on the solar panel line R&D, designing, manufacturing, sales and services.

What does a fully automated production line do?

Our fully automated production line is responsible for building each bespoke PV panel on a turnkey basis, automating the entire process from scribing, welding, laying to labelling

Why do you need a top-of-the-line photovoltaic production line?

Top-of-the-line production lines guarantee seamless production, resulting in high-quality photovoltaic cells and modules. Comprehensive warranty and a responsive after-sales service also provide assurance that assistance does not end at installation. The successful projects speak for our technical force and service capacity.

How does ecoprogetti control the quality of solar panels?

Ecoprogetti offers a wide range of machinery to control and inspect the quality of solar panels. The quality testing machines we provide to photovoltaic panel producers incorporate the same state-of-the-art technology we supply to specialized laboratories around the world.

We produce full automatic solar panel production line, full automatic solar panel production Assembly and Turkney Lines, solar panel making machines, full automatic solar panel laminator, manufacturing equipment, framing machine ...

HORAD is a world-leading manufacturer of turnkey line solutions for photovoltaic intelligent equipment, providing customers with automated production lines, including solar module production lines and digital intelligent turnkey ...
