

# How to install water guide clips on photovoltaic panels

How to install solar panel cleaning clip?

Easy installation. Automatically buckle the solar panel frame. -Solar Panel Cleaning Clip is a rectangular self-adhesive strip made of polymer, which contains water-inducing agent. Just stick it to the frame of the photovoltaic module, There is no need to make any adjustments to the components.

How to install photovoltaic panels?

How to install: First, make the whole surfaces of the PV panels clean, and clasped the water clip to the bottom edge of the panels, and don't tilt it, so it is ok, if it rains again, there will be no mud zone. In order to prevent stepping on the panel glass, you can use the photovoltaic panel protection mat.

What is a PV panels water drained away clip?

The PV panels water drained away clip is a self-fastening clip, made of plastic. The length is about 68 mm, weight 8 grams, and the width is based on the thickness of the panels aluminum alloy frame.

What is a water drained away clip?

The accumulation of dirt in the panels edge or in the corners, can have dramatic consequences on the proper functioning of the photovoltaic system, it reduces photovoltaic panel power generation, and will form hot spots effect, reducing the service life of panels. The PV panels water drained away clip is a self-fastening clip, made of plastic.

What are the advantages of a water guide clip?

The water guide clip is buckled to the frame of the component, the buckle is in place, no skew, no warping feet. 1. Long life. UV resistance, aging resistance, high and low temperature resistance. 2. Easy to install. It's just a snap. It's really tight. 3. Good effect, no blockage. 4. Maintenance free.

How many types of PV panels are there?

The length is about 68 mm, weight 8 grams, and the width is based on the thickness of the panels aluminum alloy frame. Now there have five types: 40 mm, 35 mm, 30 mm; Clasped the water clip to the bottom edge of the PV panel, the stagnant water will flow away, there is no fouling again.
