

Is it leaking under the photovoltaic panels

It's essential to determine whether the leak is coming from the roof itself or if it's related to the solar panel installation. Here are a few signs to look out for: Water stains on the ceiling or walls ... How can I prevent roof ...

Although adding a solar array to your roof has several benefits, it can also result in solar panel roof leaks. Despite best practices, solar panel installers are generally not roofers and they may unknowingly cause damage. ... As the ...
