

JA Solar Panel Service Hotline

Where can I find information about JA Solar products & services?

For a complete and up-to-date overview of our JA Solar offerings, including the ability to download datasheets, we invite you to visit our Customer Portal. Here you will find detailed information about all our products and services.

What products does JA Solar offer?

The range offered by the company includes JA Solar monocrystalline solar panels, as well as other accessories for photovoltaic systems, such as silicon wafers, cells, monocrystalline modules, photovoltaic components, inverters, and load-bearing and mounting systems.

What is the power rating of JA Solar?

The power rating of JA Solar's PV-modules in mass production is on average about 5 to 10 watts above industry average. Sector Solar stocks the JA Solar 60 and 72 Cell Polycrystalline modules and the sleek Mono Percium All Black available for immediate shipment, catering to all commercial and domestic applications.

Who is JA Solar?

JA Solar is the world leader in high-performance photovoltaic products. The company has been rated in the Global Top 500 New Energy Enterprises and Fortune China 500 for several years. The goal of JA Solar is to develop solar systems that benefit customers worldwide. Solutions for a number of applications can be found with JA Solar.

What is the warranty on JA Solar photovoltaic panels?

JA Solar photovoltaic modules are sold with a 12-year warranty. With JA Solar photovoltaic panels, you are ensured technologically advanced modules combining a high output power, a low LCOE value, very good resistance to mechanical load, and an annual degradation not exceeding 0.55 %, over a period of 25 years.

Which JA Solar modules are available?

Sector Solar stocks the JA Solar 60 and 72 Cell Polycrystalline modules and the sleek Mono Percium All Black available for immediate shipment, catering to all commercial and domestic applications.
