

## Liquid-cooled energy storage battery cabinet

The All-in-One liquid-cooled energy storage terminal adopts the design concept of "ALL in one," integrating high-security, long-life liquid-cooled batteries, modular liquid-cooled PCS, intelligent energy management system, battery ...

The integrated frequency conversion liquid cooling system helps limit the temperature difference among cells within 3?, which also contributes to its long service life. It has a nominal capacity of 372.7 kWh with a floor space of just ...
