

Longi Photovoltaic Panel Warranty Policy

What is the warranty on Longi Hi-mo 5 solar panels?

The warranty of the LONGi Hi- MO 5 solar panel series covers the workmanship of the modules for 12 years for the materials and processing during the manufacturing process. This aligns with the average warranty issued for most PV modules in the solar industry.

What is the warranty start date of solar modules?

The warranty start date of the Solar Modules stipulated under this Limited Warranty for Solar Modules (hereinafter referred to as "Limited Warranty") is the date of delivery to the Initial Customer or 6 months after the modules are shipped out of the production plant, whichever is earlier (hereinafter referred to "Warranty Start Date").

What if there is a dispute relating to the limited warranty?

Applicable Law and Dispute Resolution Any dispute relating to this "Limited Warranty", including but not limited to, disputes relating to the survival, validity, breach or termination of the "Limited Warranty", shall be resolved in accordance with the governing law and jurisdiction written in the Solar Module supply contract.

Can a limited warranty be transferred?

The rights of this "Limited Warranty" shall only be transferred if above mentioned requirements are fully met, otherwise such transfer shall not be binding upon on the Supplier, and the Supplier has the right to refuse to process the relevant demand for claims without any liability. 7. Severability

Warranties: 12-year warranty for materials and processing, along with a 25-year linear power output warranty. For those looking to buy DIY solar panels in Canada, the Longi 450W Monofacial Solar Panel offers outstanding efficiency, ...
