

Photovoltaic Panel Grid Connection Tender Announcement

What is GUVNL tender for a 500 MW grid connected solar power project?

GUVNL recently released a tender for the procurement of power through a competitive bidding process for a 500 MW Grid Connected Solar Photovoltaic Power Projects to be set up /under construction /already commissioned projects anywhere in India with Greenshoe option of additional capacity up to 500 MW without energy storage.

What is a grid tied solar rooftop photovoltaic (SPV) power plant?

Definition A Grid Tied Solar Rooftop Photo Voltaic (SPV) power plant consists of SPV array, Module Mounting Structure, Power Conditioning Unit (PCU) consisting of Maximum Power Point Tracker (MPPT), Inverter, and Controls & Protections, interconnect cables and switches. PV Array is mounted on a suitable structure.

What are the technical eligibility criteria for a solar PV project?

3.3.2. Technical Eligibility Criteria The Bidder should have installed & commissioned at least one Grid connected Solar PV Power Project having a capacity of not less than 250 kW which should have been commissioned at least six months prior to Techno-Commercial Bid Opening date.

Who is responsible for metering & grid connectivity of roof top solar PV system?

Metering and Grid Connectivity Metering and grid connectivity of the roof top solar PV system under this scheme would be the responsibility of the Bidder in accordance with the prevailing guidelines of the concerned DISCOM (Torrent Power) and /or CEA (if available by the time of implementation).

What is the scope of a solar PV power project?

The scope of the project requires the successful bidder to set up Solar PV Power Project (s), including the electrical network up to the delivery point, at their own cost, following the provisions of this RfS document.

Where is solar photovoltaic (PV) installation & maintenance based?

Procurement, Installation, and Maintenance of Solar Photovoltaic (PV) Systems to 16 SMMEs based in Gauteng Province, South Africa, supported by the National Cleaner Production Centre, South Africa (NCPC-SA). The appointed service provider should
