

Photovoltaic solar panel aluminum frame factory

Who makes aluminum solar panel frames?

Targray's portfolio of aluminum solar panel frames is a trusted source for PV module manufacturers seeking superior mold sophistication at a competitive price.

What is a solar aluminum frame?

It provided customized frames for over 12GW module manufacturers, accounting for nearly 10% of global market share. Solar aluminum frame is used to secure and seal solar modules, enhance the strength of the module, extend the service life and facilitate transportation and installation.

Why should you choose sunseng photovoltaic?

We provide R & D of solar system, EPC, ODM and OEM services, as well as one-stop solutions. SunSeng photovoltaic is committed to improving customer satisfaction by providing high-quality products. Shun Sheng photovoltaic products meet international standards, such as ISO, SGS and CE. We use cookies to ensure a smooth browsing experience.
