

Photovoltaic support storage tray

Are Husky solar cable trays effective?

Husky Solar Cable Tray systems are effective in long span and short span solar panel arrangements, and are both easy to assemble and cost effective. Manufactured from either galvanized steel, aluminum, or stainless steel, MP Husky solar cable trays will stand up to the harshest environments.

Does Eaton offer a B-Line series cable tray?

Eaton's B-Line Series Cable Tray Solutions for Solar Applications; 2017 Eaton. All rights reserved.
Eaton's B-Line Series Cable Tray Solutions for Solar Applications June 2017 2; 2017 Eaton. All rights reserved.
2 Why use Eaton's B-Line series cable tray? oFaster installation

Why should you install a cable tray instead of a conduit?

oFaster installation
o Installing cable tray is far less labor intensive than conduit
o No labor intensive digging to bury conduit
o Less risk of archeological discoveries and project delays
o Less maintenance
