

How do I design a photovoltaic and solar hot water system?

Provide an architectural drawing and riser diagram for the homeowner showing the planned location for future photovoltaic and solar hot water system components. Space requirements and layout for photovoltaic and solar water heating system components should be taken into account early in the design process.

How to install solar stack pedestals?

Solar Stack pedestals can be installed on different types of roofs: Tile, Modified Bitumen, TPO, Concrete etc. Roof must be cleaned with brush. Place, where the Solar Stack pedestals and solar panels are to be placed on the roof must be clean, dry and at.

What are the components of a solar stack pedestal system?

The system is a non-separately derived system. The following components have been evaluated for bonding as the fault current ground path: PV module, Mid Clamp, End Clamp, Pedestal and Ground Lugs. Solar Stack pedestals can be installed on BUR (Build Up Roofing), Mineral surface (Modified Bitumen), EPDM, PVC, TPO, Hypalon and Concrete roofs.

What are Solar Plan sets with batteries?

Solar plan sets with batteries include the design, equipment, and installation details necessary to combine solar panels with an energy storage system.

Do I need a primer before installing solar stack pedestals?

Before foam adhesive and Solar Stack pedestals are installed to the roof, "primer" coating must be applied for stronger bond between the TPO roof and foam adhesive. Appropriate "primer" must be determined with the roof manufacturer to avoid warranty issues. Determine the spacing of Solar Stack pedestals for your solar array design.

Does ProfiCAD support photovoltaic circuit diagrams?

ProfiCAD supports the drawing of photovoltaic circuit diagrams. In addition to the common electrical engineering symbols, the library includes symbols such as solar cells, photovoltaic panels, solar collectors, inverters, etc. Should you need more symbols, you can create them in the symbol editor. Some sample drawings (click for full size):
