

# Shitan photovoltaic panel installation manufacturer address

Where to buy high quality solar panel & solar inverter?

Rosen Solar Energy Co., Ltd.: Welcome to buy high quality solar panel, solar system, solar battery, mounting structure, solar inverter from professional manufacturers in China. Our factory offers the best service for customers around the world. For price consultation, contact us.

How far from the coast can a photovoltaic system be installed?

Based on the distance from the coast, Suntech generally divides coastal installations of photovoltaic systems into 3 categories: 0 m to 50 m, due to concerns about salt spray corrosion, it is recommended to contact the Suntech technical team to evaluate the solution.

How many countries does Suntech supply photovoltaic modules to?

Founded in 2001, Suntech has supplied over 22GW photovoltaic modules to more than 100 countries.

Which direction should a photovoltaic module be installed?

When installing photovoltaic modules in the northern Hemisphere, the optimal installation direction of the module is to face south; When installing photovoltaic modules in the Southern Hemisphere, the optimal installation direction of the module is to face north. Serial connected PV modules should be installed in the same orientation and Angle.

Where should a solar module be installed?

It is recommended to install modules in environments where the operating temperature ranges from  $-40^{\circ}\text{C}$  to  $40^{\circ}\text{C}$ . The module is not suitable for space environment, and it is recommended that the altitude of the module be installed is not more than 2000 meters. The modules need to be installed in an area where there is no shadow all year round.

How to install a photovoltaic light fixture?

The fixture shall be installed within the scope authorized by Suntech. The inside side of the fixture and the side of the photovoltaic module should be completely fitted. In any fixture installation mode, the fixture must not touch the glass or deform the frame of the bracket or module.
