

Solar Photovoltaic Panel Store

Where can I buy solar panels?

At altE, we offer solar panels for sale from top brands like Canadian Solar, Q Cells, REC, and our own altE solar panels. Try our sizing calculator for off-grid solar power systems or grid-tied systems to help you determine how many solar panels and how much energy storage you need.

Why should you buy solar panels from the solar store?

At The Solar Store we know that with the improvements in modern off-grid inverters, energy efficient lighting, propane and DC appliances, cheap price of quality solar panels and careful design considerations means stand-alone systems need not rely on backup fossil fuel generators.

Does Alte sell solar panels?

altE has been a trusted solar panel retailer since 1999 with competitive prices on high quality brands. At altE, we offer solar panels for sale from top brands like Canadian Solar, Q Cells, REC, and our own altE solar panels.

Are solar panels a good choice?

Solar panels are a proven and reliable way to produce clean electricity where it's needed - on a home, RV, boat, farm, or anywhere else that receives at least moderate sunlight. altE has been a trusted solar panel retailer since 1999 with competitive prices on high quality brands.

Are solar panels sold separately?

*Solar panels are not sold separately. Grid tie inverters convert solar DC power to home-friendly AC power and provide net metering capability. Batteries optimize cost savings by storing surplus energy when rates are lowest and utilizing it during peak demand times. They also serve as a reliable backup power source during outages.

What incentives are available for solar panels & battery storage?

The most significant incentive is the 30% federal solar tax credit, available to any taxpayer in the country when they purchase solar panels or battery storage. Some cities, counties, states and utility companies offer additional solar incentives, saving homeowners even more money.
