

# Solar Power Pack Review

Should you keep a solar power bank in your emergency kit?

You can keep a solar power bank in your emergency kit as a backup battery, or bring it with you if you're heading outdoors for the day. And since a solar power bank stores energy, you can also use it to charge your devices indoors -- solar chargers don't give you this option since they only function when exposed to sunlight.

Are solar panels good for hiking?

The solar panel is large enough to keep you going, but still quite small and not meant to be the sole source of power. For those wanting a lightweight hiking powerbank our team felt this was a great option. They loved how portable it was and how little weight it added to an already heavy camping pack.

Are portable solar power banks a good idea?

Portable solar power banks are useful for people who enjoy spending lots of time outside, away from traditional power sources. Larger solar banks can be used to store clean energy for use when the sun isn't shining. Both options can be good in emergency situations when the electricity goes out.

Is a boxwave solar power bank waterproof?

If you tend to expose your gear through some pretty rough conditions - whether for travel, work, camping, or other outdoor ventures - you'll appreciate that this solar power bank is designed to be waterproof, shock-proof, and dustproof, with safely sealed connection ports. The BoxWave Power Bank Solar Pack is the most durable you'll find.

Are sunjack solar panels easy to use?

We also appreciate that it has an excellent zippered compartment to store cables and a battery bank, which makes it that much easier to stay organized. The SunJack 20W is one of the lighter panels we tested and has three panels that fold down quickly and easily. Some solar panels are easier to use than others.

Is a solar power bank a good choice for hiking?

There are two conditions that (mostly) all hiking spots have in common - daylight and lack of power outlets, which makes this inexpensive, lightweight, solar power bank an excellent choice for hiking - from one-day to multi-day trips.
