

Solar power generation project bid announcement

What is the major solar projects list?

The Major Solar Projects List is a database of all ground-mounted solar projects, 1 MW and above, that are either operating, under construction or under development. The list is for informational purposes only, reflecting projects and completed milestones in the public domain.

When will solar and battery storage projects be completed in Tennessee?

KNOXVILLE, Tenn. - The Tennessee Valley Authority is building the energy system of the future, and is calling on the nation's top utility-scale solar and battery storage developers to submit proposals for projects that can be completed by the end of 2024. Proposals must be submitted by July 20, 2021.

How many solar projects are there?

There are more than 7,290 major solar projects currently in the database, representing over 257 GWdc of capacity. There are over 1,040 major energy storage projects currently in the database, representing more than 43,650 MWh of capacity. The list shows that there are more than 140 GWdc of major solar projects currently operating.

What is a solar power purchase agreement (PPA)?

A solar power purchase agreement (PPA) is a financial contract in which a third-party developer owns, operates, and maintains the photovoltaic system, and a customer agrees to purchase the system's electric output from the solar services provider for an agreed-upon price and for a predetermined period.

Can a solar vendor sell to the government?

Solar vendors who want to sell to the government should be familiar with the General Services Administration (GSA), which is a self-supporting federal body that assists the government in obtaining products and services. The GSA also oversees its schedules, which are itemized lists of vendors who provide commercial goods and services.

What happens if a solar contractor is awarded a contract?

Upon an award, the solar contractor is bound to execute the contract and begin performance. If another contractor that supplied a proposal thinks that it had the best value proposal, the contractor can question the government's evaluation process.
