Is Solar Opposites on Hulu?

Solar Opposites is an American adult animated science-fiction sitcom created by Justin Roiland and Mike McMahan for Hulu. [1] Originally created for the Fox Broadcasting Company, the project was shelved before being bought by Hulu and given a two-season order consisting of eight episodes each with the first season premiering on May 8, 2020.

Will there be a season 6 of Solar Opposites?

In July 2024, the series was renewed for a sixth season. Solar Opposites centers around Korvo, Terry, Jesse, and Yumyulack -- a family of aliens who crash land on Earth and are forced to stay there, often disagreeing on whether this is a good thing.

What to watch after Solar Opposites?

With lots of options, including Rick and Morty, the very popular show from Solar Opposites creator Justin Roiland, and even movies like Wall-E, a sci-fi animated film that features an entertaining robot, deciding what to watch after Solar Opposites will really just depend on your mood.

What happens in Solar Opposites season 5?

In season 5, now that alien mission partners Terry and Korvo are married, the whole Solar Opposites team are focused on family values. A family of aliens from a much better world must take refuge in middle America after the destruction of their planet.

How many seasons of Solar Opposites are there?

In October 2022, the series was renewed for a fifth season which premiered on August 12, 2024. [2] In July 2024, the series was renewed for a sixth season. [3] As of October 7, 2024, 53 episodes of Solar Opposites have been released, including four specials, concluding the fifth season.

Does Solar Opposites have a season 4?

Ross McIndoe of Slant Magazine called the fourth season of Solar Opposites "a mad blend of pop-cultural references and meta-gags, some of which land and some of which don't," also adding that season four is "true to the scatological, self-awareness of the show's prior ones."
