

Songzhuang, a local village in Beijing's Eastern suburbs, became famous for its art community in early 2000. At the same time, urban migration of younger people resulted in an increasingly aging village population left in charge to look after ...

Furthermore, Songzhuang Micro Community Park is helping to nurture the largest gathering place for artists in China, in a symbiotic relationship with the community. "It is an important milestone in the Songzhuang Xiaopu Art Zone ...
