

Sunroom solar photovoltaic panels

Does Project Sunroof have solar data?

We currently have solar data for portions of 50 states and Washington DC. See if we've got you covered. Project Sunroof is a solar calculator from Google that helps you map your roof's solar savings potential. Learn more, get an estimate and connect with providers.

Are DIY sunroom kits better than professional sunroom installation?

DIY sunroom kits are great for experienced craftsmen, but it's important to understand that screened porch kits do not have as many customizable options as our professionally installed sunrooms. Learn more about DIY Sunroom Kits vs. Professional Sunroom Installation. Order a Sample Kit

Can a solar roof power a home?

Install Solar Roof and power your home with a fully integrated solar and energy storage system. The glass solar tiles and steel roofing tiles look great up close and from the street, complementing your home's natural styling. Schedule a virtual consultation with a Tesla Advisor to learn more.

What are patio enclosures, EasyRoom, sunroom & screen room KITS?

Patio Enclosures, EasyRoom, sunroom and screen room kits are a great way for experienced do-it-yourselfers to install room additions themselves while still receiving the quality and craftsmanship that our brand offers. EasyRoom kits offer various options including room size, style of roof, type of glass and frame color.

Do sunrooms add value?

Not only do sunrooms expand conditioned living space, they also provide natural light, protection from the elements, and scenic seating areas for dining or simply enjoying nature without having to leave the building. In addition, the addition of a glazed structure adds to the property value.

Can a solar roof be used with a Powerwall?

Combine your Solar Roof with Powerwall--a home battery featuring an integrated solar inverter for increased efficiency and dependable energy storage 24/7. With the Tesla app, you can monitor your energy production in real time. Control your system from anywhere with instant alerts and remote access.

Solar Canopies available in custom & standard designs. Taxes: Florian's Solar Products qualify for the solar energy investment tax credit (ITC) - The tax credit is equal to 30% of the price of products outlined in the solar plan. Not to mention ...
