

Technical Specifications for Energy Storage Cabinets Connected to the Grid

What are the grid code specifications for grid energy storage systems?

The Grid Code Specifications for Grid Energy Storage Systems are determined according to Table 3.1, and as a rule, they are not dependent on the rated capacities or specifications of other production or demand systems connected to the same connection point.

What if a grid energy storage system requires specific measures?

If the specific studies indicate that the connection of the grid energy storage system requires specific measures in order to ensure the technical feasibility of the grid energy storage system, the measures are treated as equivalent to the Specifications, and the grid energy storage system owner is responsible for their execution.

What data is required for a Type C grid energy storage system?

For type C grid energy storage systems, the data specified in tables 7.2 and 7.3 must be delivered. The grid energy storage system owner shall submit this grid energy storage system data to the relevant network operator as electronic documents after the commissioning testing.

When should a grid energy storage system owner inform Fingrid?

The grid energy storage system owner shall inform Fingrid and the relevant network operator of the contact information of the operator responsible for the operation of the grid energy storage system, no later than when the grid energy storage system begins to supply active power to Finland's power system.

Who owns a grid energy storage system?

Grid energy storage system owner: A party whose grid energy storage system is connected to the power system or the owner of a property to which a grid energy storage system is connected. Connection point: Ownership limit as specified in the connection agreement.

Who has the right to operate a grid energy storage system?

Upon receiving the FON, the grid energy storage system owner shall have the right to operate the grid energy storage system and supply power to the connection point until further notice.
