

Tongwei flexible bracket photovoltaic power generation

Is Tongwei a bankable PV module supplier?

By the end of this year, Tongwei will be in the top 10 for wafer capacity and the top 15 for module capacity, with further growth (upside) almost inevitable going into 2023. In PV Tech's latest PV ModuleTech Bankability analysis, Tongwei is currently B-Rated, putting the company in the top 15 most bankable PV module suppliers today.

What makes Tongwei unique?

Tongwei closely aligns with China's green development strategy deployment, organically integrates PV power generation with modern fisheries, and pioneered the "Fishery & PV Integration" development model where power generates on the top and fish swim on the bottom.

What are Tongwei Solar shingled modules?

Tongwei Solar's shingled modules, built on 210 cells, are based on the company's innovative patented shingled technology, forming flexible interconnects and a unique internal circuitry, enabling higher efficiencies and better power generation performance.

What makes Tongwei a good company?

fishery facilities and equipment, and financing guarantees. Tongwei is a large multinational enterprise with eco-agriculture and new energy as our dual main business. Believing that "PV changes the world," we take it as our responsibility to build a world-class clean energy supplier and a world-class safe food supplier.

Who is Tongwei module?

With the solid and robust upstream reserves within the industry chain, Tongwei entered the module business in 2013. The product is produced by the "Industry 4.0" system of smart manufacturing. Tongwei creates high-efficiency shingled and half-cell products to achieve all-round coverage.

What is Tongwei polysilicon lead?

The quality, technical indicators and costs of Tongwei polysilicon lead globally, covering both electronic and solar grades. Tongwei has established strategic partnerships with several well-known downstream photovoltaic cell and module enterprises in China. The product quality has received high recognition in the market.
