

Zhiguang Electric High Voltage Energy Storage System

What is Zhiguang electric's new energy storage system?

In 2022, the company's new energy storage product was officially launched (20MW/40MWh). This is the world's largest single-unit cascade 35kV high-voltage direct-mounted large-capacity energy storage system. In 2022, Zhiguang Electric's 12GWh energy storage production line (Phase I) officially started construction.

Who is Guangzhou Zhiguang energy storage technology?

In 2018, Guangzhou Zhiguang Energy Storage Technology Co., Ltd. was established. In 2018, the company's commercial-grade 5MW/3MWh cascade high-voltage energy storage system was officially put into operation, which created history in China and the world.

Who is Guangzhou Zhiguang energy saving?

In 2010, Guangzhou Zhiguang Energy Saving Co., Ltd. was established and awarded as China Energy Saving Service Industry Demonstration Base. In 2011, the company's main product high-voltage variable frequency speed regulation system was sold out 1,000 sets in the year.

Who is Guangdong Zhiguang electric?

In 2014, Guangdong Zhiguang Electricity Investment Co., Ltd. was established. In 1999, Zhiguang Electric Co., Ltd. was founded in Guangzhou. In 2001, the company's New high-voltage and high-power variable frequency speed regulation system technology research and development project was approved by government.
